

The COVID-19 Coronavirus has now spread through Massachusetts and continues spreading through all of the United States. It's times like these that helps us realize how precious life is and we hope you are taking this time to enjoy the comfort of your family.

We view our customers as part of our Beechwood Hotel family, and to us family is not an important thing - it is everything.

The next few weeks will be a very difficult time for everyone. We hope you are taking necessary precautions to stay safe and we want to thank you, our family, for your continued support.

Unfortunately, because of the evolving and likely increasing threat of the CoronaVirus (COVID-19) spread and out of an abundance of concern for the safety of our guests and staff, we reluctantly have decided to close the Beechwood Hotel effective Monday, March 23, 2020 with plans to re-open on Monday, May 18, 2020. On behalf of the entire team at the Beechwood Hotel, we would like to thank you for your understanding and loyalty during this difficult time.

We apologize for the multiple inconveniences this is likely to cause, but we sincerely hope that you will re-schedule your bookings and events when we re-open. You may do so by calling 508-754-5789.

Please stay safe and we look forward to seeing you soon.
